UX collection – Unique Experience

The UX collection does not follow the standard rules. Each umbrella is a unique combination of colour, shape and material, and has ultimate ease of use and perfect ergonomics. The umbrellas refine the look of any outdoor setting: discreet luxury for those looking for that little bit extra. The UX concepts are designed as a package and are also offered as such. Canopy, frame and umbrella base together create one unique concept. Umbrosa has 4 UX collections: Versa UX, Icarus UX, Eclisum UX, and Paraflex UX.

PX collection

A PX parasol is a personalized version of a UX model, put together according to your personal taste or that of your customer. PX stands for “Personal Experience” and means that you can freely combine the color of the frame, canopy and parasol base within the colors offered. These products have a production lead time of 4 weeks.

PX collections: Paralfex PX, Versa PX, Eclisum PX and Icarus PX.
